

ZyXEL

Cloud Media Server with Superior HD Multimedia Performance Wherever You Go!

2 Bay

- Superior performance with powerful 1.6 GHz processor
- Hybrid cloud solution offer remote backups and downloads everywhere
- Easy configuration through tablets and mobile devices
- Streams multiple HD media on DLNA -enabled devices or AirPlay* streaming applications
- All-in-one backup solution for protection of valuable user data
- Access your personal cloud from any mobile devices with ZyXEL zCloud, Polkast and ownCloud app
- Energy-efficient design with Wake-on-LAN, power scheduling and hard disk hibernation functions

The ZyXEL NSA325 v2 2-Bay Power Plus Media Server provides a convenient operating center for you to manage and store music, videos, photos and documents in your personal cloud. The NSA325 v2 offers fast simultaneous multimedia streaming and sharing functions for multiple UPnP- and DLNA-certified devices in every room at home.

Benefits

Hybrid cloud solution offer remote backups and downloads everywhere

Cloud services such as Google Drive™**, Dropbox, Memopal and others make your life easier, but wouldn't it be better if all those can be consolidated into one service. With ZyXEL's Media Server you can. The ownCloud feature allows you to centralize all your cloud data in ZyXEL's Media Servers and offers fast local access to all your networked devices at home. You can enjoy the flexibility to make your data public or private, share your data to the public and rest assured that your private local cloud data is extremely safe.

2-Bay Power Plus
Media Server

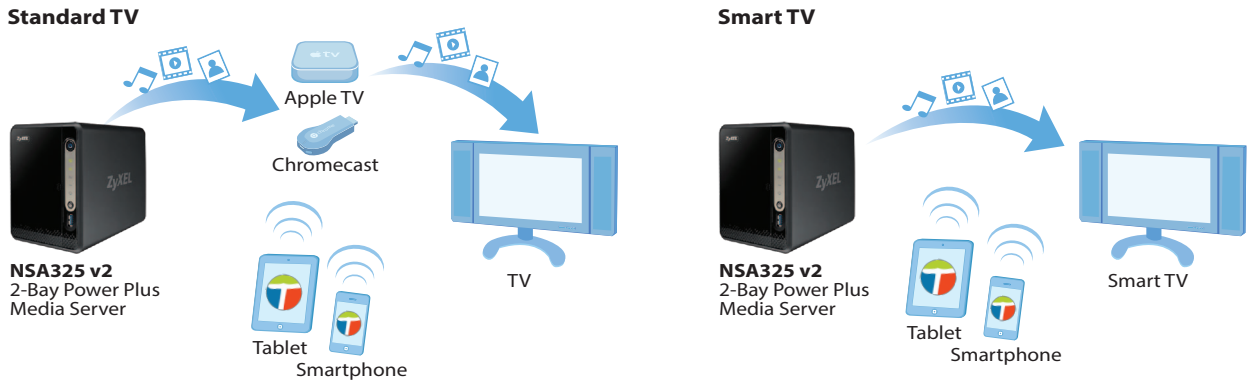

Superior performance

Powered by a 1.6 GHz CPU and 512 MB memory, the ZyXEL NSA325 v2 2-Bay Power Plus Media Server works as your personal cloud so you can quickly and easily stream media to multiple UPnP- and DLNA-certified devices such as Microsoft Xbox, Sony PlayStation or DLNA TV in every room in your home.

Play media server contents on TV with AirPlay* or Chromecast™**

Apple TV and Chromecast™ are becoming more popular than ever. ZyXEL's Media Servers allow you to stream stored media files on Apple TV* or Chromecast™ through popular mobile apps including Twonky Beam, BubbleUPnP, Avia and Samsung TV Media. Turn your smart phone into a remote control for all the media stored on the ZyXEL Media Server!

Hybrid cloud media center for home

Consolidate your clouds in ZyXEL's Media Servers. The ZyXEL Media Servers work with a wide variety of public cloud services including Dropbox, Google Drive™, Memopal and more! Alternatively, you can create your own private cloud with ownCloud or Polkast for a secured private cloud data. Backup, playback and download files freely anywhere you go with ZyXEL's Media Servers.

Enjoy Multimedia On-The-Go with zCloud

With zCloud, collectively view and access all your multimedia contents on your network storage with your mobile device anywhere you go.

Specifications

System Specifications

Networking

- Network protocol:
 - CIFS/SMB, NFS (for Linux/Unix)
 - FTP, HTTP
 - DHCP client
 - PPPoE
 - Network Time Protocol (NTP)
- Network application:
 - Personal Cloud with ownCloud and Polkast support
 - Media server:
 - DLNA 1.5 media server
 - UPnP AV server
 - iTunes server
 - SqueezeCenter support
 - Photo album server
 - Web server:
 - FTP server
 - phpMyAdmin/MySQL/PHP
 - RSS client & server
 - Smartphone application:
 - zCloud, zMedia, ownCloud, Dropbox, Polkast, Twonky Beam
 - Network application management:
 - User & group management
 - Package Management for setting up applications
 - One-click-hosting sites download manager
 - Network security:
 - Support HTTPS and FTPES (FTP over explicit TLS/SSL)
 - Encrypted NSA to NSA remote replication
 - Encrypted NSA to external disk archive backup

Data Management

- Backup support:
 - One-touch copy/sync button for external USB-capable devices backup
 - Backup planner:
 - Instant/Scheduled backup
 - NSA to NSA synchronization/archive backup
 - NSA to external USB hard disk backup
 - Google Drive™ and Dropbox support
 - Apple Time Machine support
- Download/Upload support:
 - Auto-download from FTP/HTTP/P2P download service
 - Scheduled download
 - One-click hosting sites downloading
 - Auto-upload photos and videos to YouTube/Flickr/FTP server
- File system support:
 - Internal HDD: EXT4
 - External HDD: NTFS, EXT2, EXT3, EXT4, FAT32, ReiserFS, XFS

System Management

- RAID 0, 1, JBOD
- Online firmware upgrade
- Self-Monitoring Analysis and Reporting Technology (S.M.A.R.T.)

Power and Thermal Management

- Power control:
 - Internal disk hibernation support
 - Scheduled power on/off/reboot
 - Wake-on-LAN support
 - System automatically resume after power outage
 - APC USB UPS monitoring and auto shutdown
- Thermal management:
 - Smart fan speed control
 - High temperature alert/buzzer
 - Auto shutdown while high temperature
- Special feature: Hybrid cloud support for remote backup and download, intuitive user interface

Application Package Center

- Backup Planner
- Gallery
- NZBGet
- PHP-MySQL
- Polkast
- SqueezeCenter
- Transmission
- WrodPress

Minimum System Requirements

- OS for utility: Windows XP/Vista/7 (32 & 64 bit)/8 (32 & 64 bit)
- Browser: IE 7.0+, Firefox 20+, Google Chrome 10+, Safari 5+

Hardware Specifications

- 2.5" or 3.5" SATA I/II hard disk interface supported up to 12 Terabytes
- One Gigabit Ethernet RJ-45 connector
- Two USB 2.0 ports
- One USB 3.0 port
- Buttons:
 - Power button
 - Copy/Sync button
 - Reset button
- Smart fan design
- Power consumption:
 - Access mode: 27 watt
 - Hard disk spin-down mode: 7 watt
- Power:
 - Input: 100 - 240 V AC, 50/60 Hz
 - Output: 12 V DC, 5 A

Physical Specifications

- Item dimensions (WxDxH):
207 x 164 x 123 mm (8.15" x 6.46" x 4.84")
- Item weight: 1,257 g (2.77 lb.)
- Packing dimensions (WxDxH):
280 x 173 x 275 mm (11.02" x 6.81" x 10.82")
- Packing weight: 2,260 g (4.99 lb.)

Environmental Specifications

Operating Environment

- Temperature: 0°C to 40°C (32°F to 104°F)
- Humidity: 10% to 95% (Non-condensing)

Storage Environment

- Temperature: -30°C to 70°C (-22°F to 158°F)
- Humidity: 10% to 95% (Non-condensing)

Certification

- Safety: CE LVD, BSMI
- EMC: CE, FCC class B, C-Tick, BSMI
- Others: DLNA 1.5, UPnP

Package Contents

- Network storage device
- Power adapter
- Ethernet cable
- Quick start guide
- Support CD
- Warranty card
